

Crispin Knurled T-bar Cupboard Pull Handle

AW809-grp

The brand new **Alexander & Wilks Crispin Knurled T-bar Cupboard Pull Handle** is an **industrial-inspired** design created from a base of solid brass. The practice of knurling handles was popular during Britain's industrial revolution due to its **practical tactile grip**. Now knurled handles have become trendy in modern country kitchens. This cupboard pull handles knurling travel levels the full length of the pull handle and has two legs on a small rose.
