

Standard Profile Round Escutcheon

AW380-grp

The **Alexander and Wilks Standard Profile Round Escutcheon** is a high-end quality escutcheon that has been crafted from solid brass to a standard profile round escutcheon compatible with standard UK locks. This escutcheon comes in three finishes; Antique Brass, Polished Nickel and Unlacquered Brass. These classic escutcheons are a stunning finish to any door. The standard profile round escutcheons can be paired with Romeo, Christoph, Harris and Tortoise Shell mortice knobs.
