

Standard Profile Round Escutcheon with Christoph Design Cover

AW382-grp

The Alexander and Wilks Standard Key Profile Round Escutcheon with Christoph Design Cover are beautifully crafted **solid brass escutcheons** in a UK **standard profile design** to work with standard UK locks. They are designed to suit the Christoph & Romeo mortice knobs

They have a **traditional country** style with a **unique country art deco** touch on the cover for door fronts. These are available in **Antique Brass, Unlacquered Brass** for a traditional country look and a **Polished Nickel** to create a warmer finish.

Alexander & Wilks represents the very best of **architectural hardware** and ironmongery.
