Locks 20 locks per box		
Keeps 20 keeps per box		

CASEMENT UNDOUS

Diagram not to scale. All dimensions are in mm and are nominal. ERA reserves the right to change specification without notice It is the responsibility of the window manufacturer to ensure that the finished product meets any required safety and performance specification.

Maintenance

All moving parts should be lightly lubricated using a light non-acidic mineral oil (e.g "3 in 1") twice per year and the surface cleaned with a soft damp cloth. The product may need to be adjusted and fixings tightened to ensure a satisfactory operation.
