

Cylinder Projection Door Stop on Rose

AW616-grp

The **Cylinder Projection Door Stop on Rose** is a simple and **traditional** projection door stop that has a cylindrical shape and is fitted on a rose with **concealed fixings** for a clean and professional facade.

Created from brass and finished in antique brass, dark bronze, lacquered polished and satin brass, polished chrome, satin chrome, polished nickel or satin nickel finishes to suit a wide variety of properties, interior styles and complement your other ironmongery in matching finishes.

Alexander & Wilks represents the very best of **architectural hardware** and ironmongery. Using both time-honoured craftsmen's skills, combined with the latest computer-aided **precision manufacturing**, results in a collection of beautifully made items with **flawless** results.
