

## Brunel Knurled Coat Hook

AW775-grp

The **Alexander and Wilks Brunel Knurled Coat Hook** is a cylindrical wall mounted coat hook with a diamond knurling around the cylinder of the hook. It has a small rose and is a **peg style coat hook**. Originating from **industrial** settings, **knurled** hardware is aesthetically **ultra-modern** but also offers a number of practical features including **tactile easy grip** and is **resistant to wear and tear**.

Available in 4 stunning finishes: Antique Brass, Dark Bronze PVD, Polished Nickel PVD and Satin Brass PVD

Alexander & Wilks represents the very best of **architectural hardware** and ironmongery.
