

Standard Profile Ellipse Escutcheon with Christoph Design Cover

AW385-grp

The **Alexander and Wilks Standard Profile Ellipse Escutcheon with Christoph Design Covers** are **stunningly** finished with a **traditional reeded design** on the cover made from **solid brass**. This escutcheon will help to prevent draughts and offer a level of privacy, suited to work with **UK standard locks**.

They have a **country art deco style** for lockable doors. Available in three finishes; **Antique Brass, Unlacquered Brass** and **Polished Nickel**.
