

## Hammered Mortice Door Knob - Pair

AW302-grp

The **Alexander and Wilks Hammered Mortice Knobs** are **uniquely handcrafted** finished with a **hammered** effect including a tactile grip with a fluted stem design with a circular rose with visible fixings. This mortice door knob is **unsprung**.

The knob is supplied in **Unlacquered Brass, Polished Nickel and Antique Brass** with a **50mm diameter**.

Alexander & Wilks represents the very best of **architectural hardware** and ironmongery.
