

## Plain Floor Mounted Door Stop

AW603-grp

The **Alexander and Wilks Plain Floor Mounted Door Stop** is created from **solid brass** for a high end and **luxury** finish around **modern** properties. Created from brass and finished in a warm and tactile antique brass, on-trend stainless PVD dark bronze perfect for monochrome interiors, bright and **contemporary** stainless PVD polished nickel and the hugely popular stainless PVD satin brass.

Within the **Alexander and Wilks** collection, we also have **matching luxury solid brass door handles**, doorknobs, cabinet hardware and other complementary ironmongery hardware to create a fully cohesive look around a home.

Part of the **Alexander and Wilks** collection represents the very best of **British-designed architectural hardware and ironmongery**.
