

Kershaw Door Knob - Pair

AW300-grp

The **Alexander and Wilks** Kershaw **Door Knobs** are exquisitely crafted from **solid brass** at exceptional prices. They have a **traditional mushroom shape** that has been created using **classical British designs** and The design and finishes of this **Mortice Door Knob** have a look and feel that is well suited to **modern and traditional** homes, apartments, offices and commercial buildings. Separate rose to allow mortice or rim fixing.

As this is an **Unsprung Knob**, we recommend using a double sprung latch.
