

Plain Thumbturn and Release

AW791-grp

The **Alexander and Wilks** plain thumbturn and release feature a **modern sleek** and smooth facade on the thumbturn set against a smooth round rose, with a coin release on the opposite side to quickly and easily open doors in an emergency.

This **contemporary** privacy thumbturn is created from a **base of solid brass** and is available in a range of finishes: Antique Brass, and stainless finishes of; Satin Brass PVD, Polished Nickel PVD, and Dark Bronze PVD.

The **Smooth collection** includes door handles on rose, cupboard knobs and pull handles and door stops for a fully coordinated and complementary set to use around the entire property. The **industrial yet modern designs** are inspired by the legacy of the British Royal Airforces aircraft.
