

## Hanover Hammered Cupboard Knob

AW820-grp

The **Hanover Cupboard Knob** is a **contemporary** round cupboard knob with a **hammered design** on the face of the knob. Designed to finish your kitchens, bedrooms and bathrooms in style. These stylish cupboard knobs are part of our **hammered collection** that embraces a traditional aesthetic with the hammered design, that harks back to traditional blacksmithing methods hammering iron on an anvil, juxtaposed with modern shapes and designs to create a truly unique and contemporary finish for your cupboard furniture

They are crafted from **solid brass** and finished in Antique brass or Satin Brass, Black, Dark Bronze, Polished Chrome, and Polished Nickel or Satin Nickel. This range of finishes provides a **luxurious** look and feel for a high-end finishing touch within your home.
